The Kalamaula Homesteaders Association (KHA) was founded in 1961 and became a non-profit 501(c) (3) entity since January 2010.

KHA was established to:

- challenge and inspire youth who live on homestead land to achieve their full potential by providing support and opportunities for advancement in education
- promote better health for our Kalamaula community and homesteader's outside of Kalamaula through education
- preserve and protect Hawaii's natural environment, including Kiowea Park in Kalamaula in particular, through the stewardship of our lands consistent with Hawaiian culture, values, and traditional methods of resource management.

We have 5 different committees:

- Strategic Planning / On Going Projects – Stacy Crivello/Lawrence Lasua
- Kiowea Park – Hamau Howe/Michael Kahinu
- Community Concerns – Brent Nakihei
- Kupuna and Opio – Lehua Kauka
- Kalama'ula Nursery / Agriculture – Kalani Johnston

If you're interested in sitting on any of these committees, please contact the committee chair.
